Serving Others In Love-dba SOIL. We have been very busy over the last year and a half. We are the main support arm of Cruzada Del Evangelio De Honduras, (Cruzada) for short. The Isbell family has been ministering in Honduras since 1964. I am the son of our founder, Missionary Jean Isbell, as well as the president of Cruzada. I am also the Founder and Executive Director of SOIL. This arrangement allows us to have total autonomy between the stateside and the Honduras ministries.

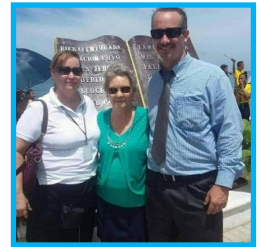

Dr. Kevan Kruse is the President of Serving Others In Love. His leadership has brought about a high level of stability and his friendship has been my saving grace.

Brother John Taylor is on our SOIL board and is an ongoing spiritual leader of our Cruzada family. Dr. Tony Ponceti is our VP of Philanthropy as well as our highly esteemed international educator.

It seems like Satan has thrown everything he could at us. He has tried and failed at stopping our ministry in the country of Honduras with Covid 19, 2 cat-5 hurricanes, deaths from diabetes, etc. With all this, satan has failed! We are stronger today than ever before because, "Greater is He that is in us, than he that is in the world!" I John 4:4. To God be the glory, the honor, and the praise.

We are still reeling from the loss of our beloved Cooper family. We lost Sister Eleanor Cooper, Sandy Cooper Palencia, and Shane Cooper in a 30-day period due to Covid-19 related illnesses. Please continue to pray for the remaining children, in-laws, and grandchildren.

I will show you just a few snapshots in time, showing a small part of what God is enabling us to do to make a greater impact on the Honduran people.

### **EVANGELISM:**

On September 18th, 2021 we were a vital part of organizing a nationally televised/radio covered Evangelistic service organized by our Minister of Evangelism, Luiz Reyes, and sponsored by the internationally known Evangelist Alfredo Munoz from Bradenton, Florida. 10,000 + people met on a soccer field outside of the city of LaCeiba, Honduras. 8,000 people came forward for salvation and a rededication of their lives to Jesus Christ! There were approximately 1,725,000 households that watched by TV. Living with God and His people is so rewarding!

We gave out 4,500 sixty-pound bags of food and supplies to the families.

Also Dr. Tony Ponceti has already used Zoom to train our ministers using The American Association of Christian Counselors Mental Health Coaching curriculum. He has taught marriage seminars, Church Administration, and currently teaching Evangelism and Discipleship. We have always taught evangelism but we are making a new concerted effort to expand this principle throughout the 7 states we are working in. We are also working to expand our efforts in providing our children a Godly bi-lingual education.

### **CHILDREN/ CHRISTIAN EDUCATION/TOYS FOR CHRISTMAS**

Feeding the hungry has always been a priority of our ministry..

Educating/Protecting children is a vital part of our ministry.

Children receiving Christmas Boxes this last Christmas.

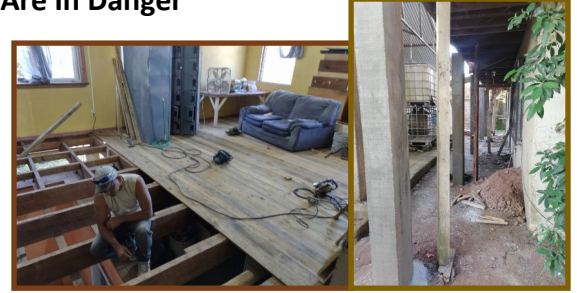

It was a very happy and precious time to see their faces as they were given their giftbox.

### CONSTRUCTION: Shalom Home for Girls Who Are In Danger

These are past high-school grads from the Girls Home (Shalom)

We have been involved with a major renovation of our Girls home (Shalom).

Also several of our churches are doing church construction projects. As you can see Jesus has been blessing us with His favor, with volunteers, as well as American educated and trained leaders.

**MEDICAL/DENTAL BRIGADES** are being sponsored by us and the many loving people from AHMEN located in Alabama, Carolina Clinics, Raulerson Dental Associates, Brandon, Florida, surgeons and nurses from Lakeland Regional Hospital, and many others over the last five decades.

### OUR IMMEDIATE NEEDS ARE:

- ◆ A sustained monthly income that will support a monthly \$8,000-\$10,000 budget. This will allow us to manage/oversee more than 150 churches in 7 states while also being able to manage our National headquarters.
- ◆ 2 new vehicles are needed to replace the two we lost during Covid-19. One would be a 4 wheel drive, diesel, 7-9 passenger SUV. The other would be a four door, 4 wheel drive, diesel pickup truck.
- ◆ Salary for an additional office employee. (\$700/month)
- ◆ An additional salary for our National Education Director/Properties Manager. (\$900/month)
- ◆ Land has been obtained to put a bi-lingual school in the mountains of Yoro, Honduras. We currently need \$17,000 to have it under roof.
- ◆ Please visit our website at: [soilministries.org](http://soilministries.org). My phone number is: 813-732-4848. When I am in Honduras you can contact me via WhatsApp using the same number. Please leave a text should I be out of range.

As you can see, we are very busy fulfilling our calling to reach the nation of Honduras for Jesus. We are looking forward to you continuing your prayers and support and hope to see you soon on a short-term mission trip. Please pray and ask God what He would have you do today.

In His Service,
